The Newarks will do their spring training at Savannah, Ga., this March. Newark sporting writers are arranging to give President Solomon a complimentary dinner. It will take place in about two weeks.

# BILL HOLLENBACK DENIES CHARGES

"When the game was over I took the precaution to have Evans, of Williams, an official they chose, sign a statement regarding the game. That statement is in the possession of El M. Smith, the business graduate manager of State College, at the present time. It will be used not only to protect the fair name of State College, but for the officials themselves."

It isn't so much a case of religion as it is a sense of moral responsibility for the public weal.
